

## Propane tanks

Propane canisters for camp stoves and lanterns can be brought to:

- Household Hazardous Waste Facility – 3994 Landfill Rd., Hibbing
- Household Hazardous Waste Facility – 5345 Regional Landfill Rd., Virginia

St. Louis County [Facility Hours](#)

Larger propane tanks from grills should be brought to a propane dealer for recycling.

15 – 30 pound tanks that are completely empty and all valves are removed can be placed in a scrap metal pile.  
(See Scrap Metal.)

Larger tanks that are completely empty may be accepted at a scrap metal dealer.
